

# I support the Tasmanian Autism community.

*I pledge to make the following happen when elected:*

## The State Government must commit to:

**\$50,000 per annum** to reconvene Tasmanian Autism Advisory Panel to:

- a) Assess the impact of the ongoing retraction of the NDIS which exposes Tasmanians with Autism to unfair disadvantage.
- b) Coordinate statewide responses to the new National Disability Strategy, Senate Select Committee on Autism.

## The State Government must commit to:

**\$350 000 per annum** to recruit Allied Health practitioners to reduce the children assessment waiting lists.

## The State Government must commit to:

**\$500 000 per annum** to enable in social and economic participation for autistic Tasmanians:

- a) Autism awareness training for all front-line government employees.
- b) New HR recruitment processes and application mentoring to increase employment of autistic Tasmanians.
