

# Seeing people wearing face masks

I might see people wearing face masks at the shops, on the bus or at school.

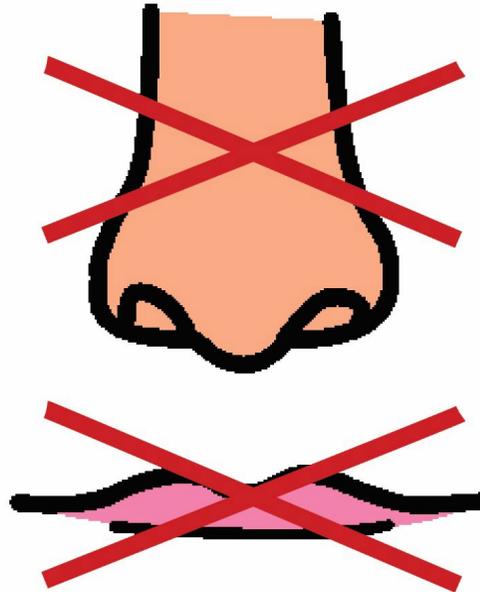

Wearing a mask can help  
keep people safe and  
healthy.

When someone wears a mask,  
I can only see their eyes.

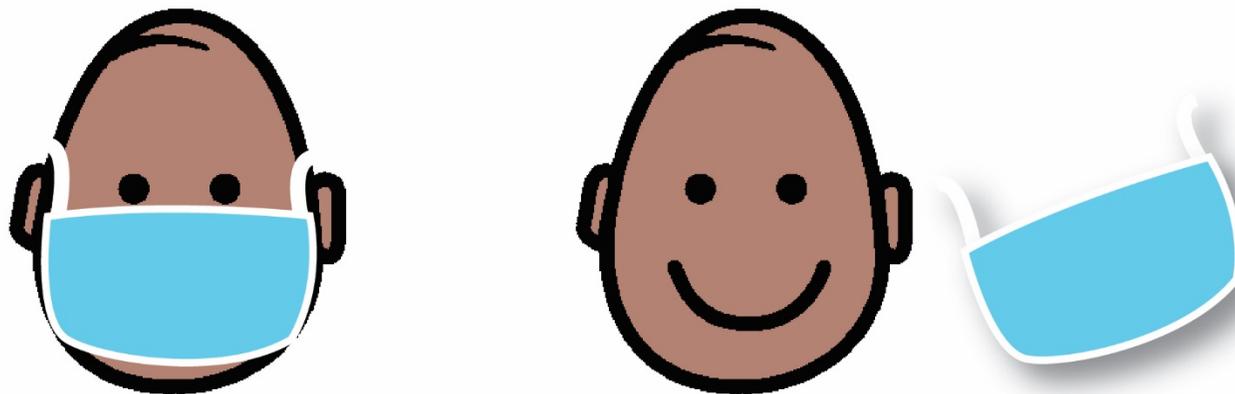

I might not see their nose and mouth. Their nose and mouth are under the mask.

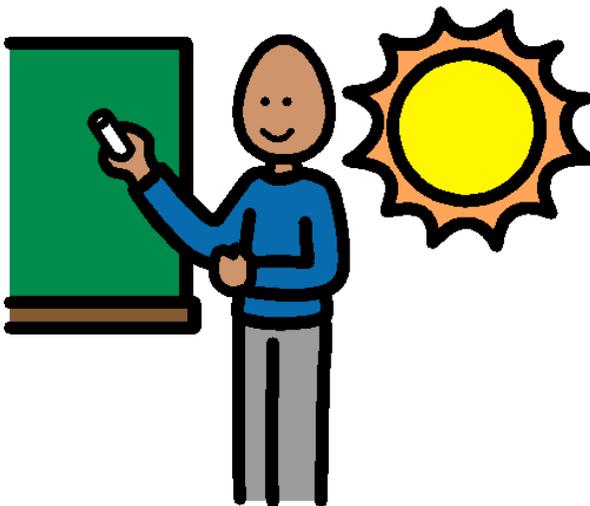

When I see people with masks I do not need to be afraid.

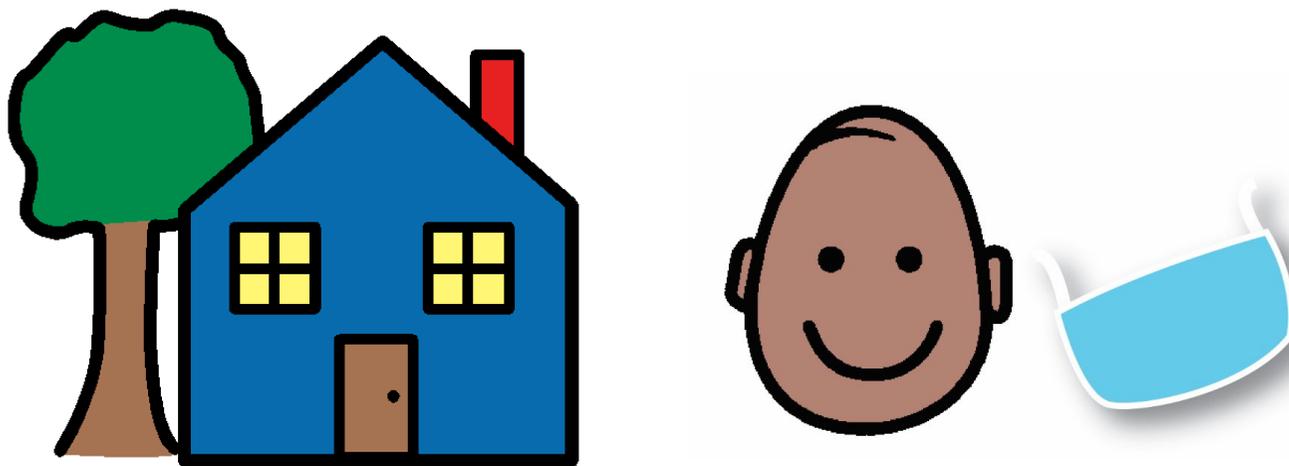

People wearing masks can  
still talk and they might  
even be smiling  
at me.

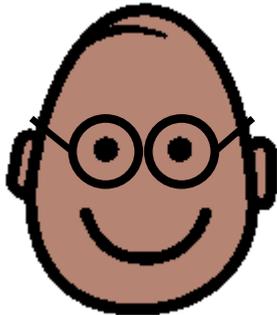

My teacher might not wear a mask in class. That's ok because we need to hear and see our teacher

People take their masks  
off at home. Then their  
family can see their nose  
and mouth again

Some people wear glasses,  
some people wear hats,  
some people wear masks.

Seeing people in masks is different, but that is ok.

# Wearing a mask helps keep everyone safe.
