

# Autism and transitions: Planning for success

A **FREE** workshop for parents and carers

## About Autism Tasmania's workshop

**This free workshop is for parents and family carers of children who are on the autism spectrum, or who show autistic characteristics. A confirmed diagnosis of autism is not needed. Light refreshments will be provided at all face-to-face sessions.**

## Learning Outcomes

This workshop helps you to:

- » Explore strategies, resources, and services to assist parents, family members, and carers to manage and celebrate their child's everyday and key life transitions
- » Develop understanding on why transitions can be tricky in day-to-day life
- » Understand how to make key life transitions easier for your child such as starting school, high school, further education, employment, and independent living.

*We tailor our workshops to the individual needs of our participants in order to provide the most relevant information and resources. All of our workshops are designed to be interactive for our participants including our online sessions.*
