

Navigating the Autism therapy maze

A **FREE** workshop for parents and carers

About Autism Tasmania's workshop

This free workshop is for parents and family carers of children who are on the autism spectrum, or who show autistic characteristics. A confirmed diagnosis of autism is not needed. Light refreshments will be provided at all face-to-face sessions.

Learning Outcomes

This workshop helps you to:

- » Become an informed and empowered decision maker about therapy and goal setting
- » Understand more about different types of therapy
- » Know how to decide if a therapy is the right one for your child

If you have questions contact our Learning & Development team at learning@autismtas.org.au

Registration is essential. To register or see upcoming workshops online or in-person near you, visit our website at autismtas.org.au/learning-development-autism-community-workshop-calendar

We tailor our workshops to the individual needs of our participants in order to provide the most relevant information and resources. All of our workshops are designed to be interactive for our participants including our online sessions.
