

# Navigating the Autism Therapy Maze

## A workshop for parents and carers

### About Autism Tasmania's workshop

*This 3 hour workshop is for parents and family carers of autistic children or those who show autistic characteristics. A confirmed diagnosis not required. During this workshop we teach you how to become an informed and empowered decision maker about therapy. Come and learn how to respect your child's neurotype when goal setting.*

### Learning Outcomes

This workshop helps you to:

- Understand the different types of therapies
- Decide what to look for in a therapy or support
- Determine if a therapy is the right one for your child

Light refreshments provided at in person sessions. All workshops are designed to be interactive for our participants including our online sessions. We tailor our workshops to the individual needs of our participants in order to provide the most relevant information and resources.

### Cost

- Online - \$10.00
- In Person - \$15.00

*Exemptions available, please contact us as we strive to ensure our workshops are accessible for those who need them.*

**Registration at the event links provided is essential.**
